What makes you feel that today is going to be the same as yesterday?

What makes you feel that love and life can wait till tomorrow but work cannot?

Welcome to the world wherein:

We live as if we are going to live forever.

We believe or made to perceive that '**Rudimentary and Routine**' is '**Critical and Valuable**' now a days .

All Thanks to the Industrial Revolution and the organizations it created.

IRONICALLY, We have ACCEPTED that LOVE CAN WAIT and worldly SUCCESS CAN NOT.

Then the REALITY STRIKES!

While we are HAPPY '**assuming with certainty**' that things won't change tomorrow –

You have floundered opportunities for making love, life and work as awesome as it could have been.

Time we must ASK ourselves:

What could have 'made a difference' to the PATH YOU CHOSE to WALK till now?

Mojo of Small Things Presents

3 things that will change the way you see LOVE, LIFE and WORK.

1. LIFE IS FRAGILE.

No one here is PROMISED ALL the Tomorrows.

Ironically, we live that way – postponing stuff that matters.

The walks (into sunrises and under the moon), the meals cooked and served with love, the cuddling, the hugs, creating stuff that puts you in zone you need to be in, heart to heart talks, holding hands and just saying 'I Love You' and meaning it, being there where we should be (the family meals, the meet-ups with friends, with loved ones when they are not well, and even before that), the star gazing nights – we should be part of.

We keep aside all this for something, That MAY NOT even matter tomorrow.

Truth:

There are not enough TOMORROWS on anyone's Calender. Start Moving and Doing stuff.

What now?

See your life as A WONDER –

Be GRATEFUL.

Choose LOVE over hate. Hate is heavy. Reach out to people because you are good and not just because they are not good enough.

Make good ART – Pick up the paintbrush, the crayons, the camera, the pen or the typewriter or just pick up the ladle-pan-knife, or the sickle: Create stuff and do it more often,

“Get amused that ‘TODAY you are You, that is truer than true. There is no one alive who is Youer than YOU” – Dr. Seuss.

2. YOUR TIME TOGETHER IS LIMITED.

Hold hands,

We don't know how much time we have got!

Your life is fragile.

So, is of those you love and those who matter to you!

The world where we are made us believe that the core of human existence is work and everything else is just stuff to be done during vacations.

We were deliberately made to put **LOVE & PASSION** on a **back burner** – wherein it either remained **UNDER-COOKED** or we saw it getting **BURNED TO ASHES**.

The **BEING TOGETHER** stuff happens wherein everyone is on a vacation – **RARELY HAPPENS**.

Travel to meet those who matter, tell them they Matter, have one cup of coffee more with them just to extend together time (this time won't come back), listen to them, and speak your heart out.

Truth: Being together is not a default thing. Hold hands.

What now?

Tell them **THEY MATTER**.

SPEND TIME where you should.

Hold **HANDS**– Share more **HUGS**.

Let go of **EGO** for **LOVE**.

“There is only one thing more precious than our time and that's who we spend it on” – Leo Christopher

3. **THERE ARE NO REWIND BUTTONS.** Do you know WHY IS THIS MOMENT SO SPECIAL?

Because, This is ALL WE HAVE GOT, and

This is NOT GOING TO be here the VERY NEXT MOMENT.

The richest and the most powerful man on this earth tried doing it and could never.

Realize that there are no rewind buttons in life.

That means time machine is still a movie thing and you won't accidentally find one lying in your uncle's garage.

Catch all the magical moments you can.

Truth:

This moment is not going to be back – Live – Love and Hold Tight.

What now?

Do STUFF THAT MATTERS and that sets your soul on fire.

Be generous with **GOOD NIGHT kisses.**

GAZE INTO STARS together and **COOK WITH LOVE** for them.

Pick up the phone and **MAKE THE CALLS** you have been postponing for the sake of office hours.

Our time is limited.

Choose Love – Passion – Holding hands – Together time.

With Love

Yours
